Greetings in the name of our Lord Savior and Jesus Christ.

Please receive notice of our concert scheduled for 17 March 2019 in the Good Hope Adventist High School Hall.

The concert is presented as one of the 9 events planned in Celebration of our institution's 90th year of existence. Further, we raise funds in support of the school, specifically to initiate projects earmarked by the Alumni Association to enhance the campus and improve the quality of education offered on our campus.

Please find attached a poster which we would like you to post on your church noticeboard. We also request that you announce and promote the event among your members. Kindly include our concert announcement in your church bulletin and announcement platforms over the coming weeks please.

We humbly suggest that the church appoints a person, or persons, to assist the school and Alumni by taking responsibility for the promotion and sale of tickets among members. We would like to receive the contact details of such a person in order to further communicate with the church through this appointee. The requested details can be sent via email to myself and our PR officer (Godwin Bruinders) alumni@goodhope.cc.adventist.org

We trust that the information above will be shared with church members and thank you in advance.

Your partner in promoting the cause of Christ

Romeo E De Buys
GHCA Association Secretary
